CARLOS
MENESSES

Welcome!

My name is **Carlos Meneses**. Playing the double bass and composing music are two of my favorite things! I have performed live with countless artists (Kurt Elling, Anthony Strong, Paquito D'Rivera, New York Voices) and recorded on more than 10 albums as a double bassist/pianist, mostly in Jazz in the Canary Islands (Germán López, Gran Canaria Big Band, Kike Perdomo, Yul Ballesteros, Said Muti, Rayko León). I hold a degree in Jazz Double Bass/Modern Music from CSMC. I received a scholarship from TEB to study in NYC in 2024. My album "Like one" (2022) was nominated for the Canary Islands Music Awards for Best Jazz Album. Currently, I have released 5 albums, with [collabs] (2024, EmuBands) being the most recent, featuring the stellar collaboration of Charles Gould (Brooklyn/NYC, USA), and I will be performing it live during 2024-25.

(SP) **[collabs]**

This is the story of a journey that begins in my imagination. At first, it crawls slowly, like a baby. After many attempts, it finally starts to walk, gradually gaining speed. It sets its sights on the horizon, which shows the way forward.

Suddenly, the journey takes flight, soaring as high as its own capacity and condition allow, lingering for a moment to enjoy the beautiful view from above.

It lands again and fades away as quickly as a small flame under the rain. This means the journey has ended, and I return home.

By my side remains only a suitcase, filled with sensations and stories. I open it and share its contents with you, where, among other memories, you'll find music, friendship, love, respect, dedication, and perseverance” (Carlos Meneses, 2024).
